TIC 2026

Welcome Message

Dear Colleagues, Distinguished International and National Faculty & Delegates,

It is our immense pleasure to welcome you to the **11th edition of the Tamil Nadu Interventional Council (TIC 2026)**, being held from **17th to 19th July 2026 at Hyatt Regency, Chennai.**

TIC has always been a platform that brings together experience, innovation, and excellence in interventional cardiology. This year's scientific programme has been thoughtfully designed to deliver a comprehensive learning experience through live case transmissions, expert lectures, interactive discussions, hands-on workshops, and presentations on the latest advances in coronary and structural heart interventions.

Whether you are an experienced interventionist, a practising cardiologist, or a fellow in training, we hope the scientific sessions provide valuable insights, practical knowledge, and opportunities for meaningful academic exchange. Equally important, we hope this conference strengthens professional relationships and inspires new collaborations that will advance patient care across our region and beyond.

We extend our sincere gratitude to our distinguished faculty, delegates, industry partners, and the organising team for their invaluable support in making **TIC 2026** possible.

We wish you an enriching scientific experience and a memorable stay in Chennai.

Warm Regards,
